Address: The Byre, Thornton Field House, Thornton Le Clay, Malton YO60 7QA

Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: Lillings Ambo Parish Council are pleased with the amendments made to the above planning application. The concerns, about which we, the Parish Council and our Parishioners, commented have largely been addressed.

However, we feel very strongly that the positioning of the muck heap from cleaning out the stables has been placed in an extremely insensitive place; on the boundary adjacent to the neighbours' garden.

So before approving this planning application, we feel that this should be addressed and the muck heap be moved to a less sensitive position where the smell, possible run off and health hazards, do not invade the neighbours land.

Helen Loynes
(Chairman of Lillings Ambo Parish Council)
