Tribute to the Queen – Add note to the minutes

I feel it is appropriate to pay tribute to Elizabeth II her Majesty the late Queen as it is the end of the Elizabethan Age and none of us here have known any other. Queen Elizabeth was a constant in our lives, an example to everyone for her steadfastness and duty. She will be missed. We express our support for His Majesty the new King Charles III and wish him well in the task he has to undertake which will not be easy, despite the fact that he has been preparing for almost his whole life.
