Subject: Planning Application 22/00522/FUL

Dear Ms Hood,

Settrington Parish Council has the following Observation to make regarding this Application:

Whilst recognising the benefit of siting the stable block somewhat distant from the domestic accommodation, on a Consensus basis Settrington Parish Council considers that it is unnecessary to erect this structure on the undeveloped flank of this stretch of Church Lane, particularly given that there are alternative locations within the curtilage of the property and nearby, which would maintain the existing building line.

Yours sincerely.

Bruce Skinner
Clerk to Settrington Parish Council
