**Importance:** High

**FAO Niamh Bonner, Re application number; 20/00563/FUL**

**In light of the recent submissions on behalf of both applicant and neighbour, and the relevant planning committee report please can we make the following request:**

**In view of the additional information submitted by Mr Roy Lewis on 20th December 2021, Lillings Ambo Parish Council believes that this may alter the evidence upon which the planning committee report has formed its recommendation.**

**Until such time as the items of contention, some legal, are resolved we respectfully request that any decision on the application is deferred with a revised report issued in due course.**

**To not do so we feel would be unfair to those immediately concerned nor the wider public.**

**Kind Regards  
Lillings Ambo Parish Council.**
