REPORT

5.0 BACKGROUND AND INTRODUCTION

5.1 The Accounts and Audit Regulations 2011 require all Councils to annually review their systems of internal control and to provide an adequate and effective Internal Audit function.

5.2 It was agreed that this Committee should act as an Audit Committee for the Council and, inter alia, receive reports from Internal Audit

5.3 This report presents the Annual Internal Audit Report for the year from the North Yorkshire Audit Partnership. Their report, detailed in annex A, summarises the work done by Internal Audit covering the year to 31st March 2011.

5.4 The Annual Internal Audit Report provides a statement of assurance to the Members, the Chief Executive, and the Corporate Director (s151), which will support the Annual Governance Statement (AGS).

5.5 The Audit Partnership works to the 2006 CIPFA Code of Practice for Internal Audit in Local Government. The Council's External Auditors have been satisfied with the audit work undertaken, and have been able to place reliance on the work of the Partnership in order to optimise the overall cost of audit to the Council. The Partnership is subject to the regular tri-ennial review by the external auditors.

6.0 POLICY CONTEXT

6.1 This report supports the Council's Corporate Strategic Objective of providing strong Community Leadership, by demonstrating a commitment to local democracy and accountability

7.0 CONSULTATION

7.1 A statement outlining any consultation carried out or planned and any known outcomes.

8.0 REPORT DETAILS

8.1 The report detailed in annex A, provides an assurance statement for the financial systems of the council, based on the work undertaken to date, and past experience. It is not a 'carte blanche' but a balanced judgement. It also includes an assessment of the application of risk management, and management of the identified risks, within its programme of audits.

8.2 One of the positive issues emerging is that the Council has embedded Risk Management into the everyday operations of the Council. It is in this respect that we expect that internal audit will assist, by reviewing the Risk Management process, to ensure the understanding and implementation of risk management across the Council.

8.3 The North Yorkshire Audit Partnership is able to provide the Council with a clear statement of Internal Control Assurance, as all the main systems audited are operating robustly and securely. This supports the Annual Governance Statement required under the Accounts and Audit Regulations 2011.

8.4 It also includes a schedule of the audit opinions for the audits completed in the year. These opinions lead through to the overall opinion, and the AGS. It also includes a synopsis of the performance of the Partnership in delivering internal audit to Ryedale District Council.

8.5 The review provides an overall opinion and assurance that given all the circumstances pertaining with the Internal Control System in Ryedale District Council during 2010/11 that it is considered as working "to Standard".

8.6 As with any such review there will always be areas that could be improved and this is no different.

8.7 It is considered that the work completed combined with the planned work for 2011/12 represents the best compromise between economy and effectiveness, and provides a sufficient level of assurance for the AGS and the Council's external auditors.
